

Listening Organizer

As you listen to the story, write down facts about Inuit life, hunting, or animals on the left side of the chart, and questions or curiosities on the right side.

Field Notes	Questions about forests
I learned ... • Inuit use all parts of the goose, even the wings for cleaning!	I wonder... • How do young people learn to hunt and stay safe on the land? <i>Young people learn to hunt safely by going out with experienced hunters who teach them how to respect the land, use equipment properly, and care for the animals they harvest.</i>
