

Listening Organizer

As you listen to the story, write down facts about Inuit food, traditions, and animals on the left side of the chart, and questions or curiosities on the right side.

Field Notes	Questions about forests
I learned ... • Inuit hunters share food with everyone at community feasts.	I wonder... • How does the cold Arctic weather help or hurt lichen growth? <i>The cold Arctic weather helps lichen by protecting it from pests but also slows its growth, so it takes a very long time to grow back.</i>
