

# The Greenbelt Game Take Action!

An action could be a new government program like [Canada's Habitat Stewardship Program for Species at Risk](#), better enforcement like having stricter monitoring of the environmental impact from construction sites, a cleanup project like a park or shoreline litter cleanup, or volunteers working together to maintain our green spaces and help them thrive.

**SPADE**

stops new construction.

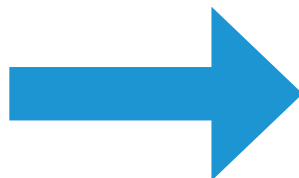

**CLUB**

stops new pollution.

**SPADE  
+ CLUB**

stops climate change.
